

Amir Sasani

Backend developer

Shiraz, Iran

Birth date: 01-02-1998

Linkedin <https://www.linkedin.com/in/amirsasani>

Github <https://github.com/amirsasani>

Website <https://amirsasani.ir>

I am interested in the world of web and technology and don't want to set any boundaries for learning. I believe if something is done solo, selfish, and without consulting experts, it will not get success.
